

Year 5 Football Match

Year 5 stepped up this week to play our first league football game, as Year 6 pupils were away on their residential.

An enthusiastic and committed group of boys went to Witney County Primary, where they played with great heart and determination against a very strong opposition. They lost the game but showed lots of promise. They produced a performance that they should be proud of, which was a great experience and excellent preparation for next year.

Congratulations to the team who were: Harrison Mole, Leo Kelly Gomes, Glenn Irving, Callum Cope, Antonio Perritt, Theo Walkington, Charlie James, Jack- Ryan Estus- Bird and our player of the match, Tom Russell.
