

Netball Tournament:

On Thursday 15th March, the mixed Year 6 Netball team took part in the West Oxfordshire Netball Finals at Wood Green School. We have been champions for the last 3 years, but we were taking nothing for granted.

We played five eight-minute matches against schools from across the area and rotated players each game. We started strongly; in our first match we played Clanfield and won 6-0 with hat tricks for both Chloe Train and Toby Thompson. In our second match we continued to support each other and won 5-0 against St John's, Carterton. Our third match was also a victory of 5-0 against Holy Trinity. We stayed positive and beat William Fletcher 9—0 in our fourth match. We went into our final match against West Witney having scored 25 points and conceded none. We stayed focussed and came away 4-0 winners.

It was a fantastic performance by all our players. We won because we worked hard as a team, marked our players and moved fast into space on the court. We dedicate our win to Mrs Bishop for her amazing coaching and support. We look forward to the Oxfordshire finals in Abingdon after Easter.

Team: Layce Ealey, Karlien Matthee, Chloe Train, Bethany Jones, Toby Thompson, Thomas Russell and Harrison Mole
