## Year 6 Curriculum Overview - Terms 1 and 2

## Over the next two terms we will be covering the following areas in our curriculum:

English	<u>Maths</u>
Our writing focuses are	Our KIRFs focuses (Key Instant Recall of Facts) will be:
War Horse: We will read this text as a class, exploring it further	Know all previous number bonds including decimals (link to bonds for
with in guided reading sessions. We will use drama to explore its	10).
characters and themes. We will write letter to characters, re-write	Use all multiplication and division facts for the times tables up to
parts of the story from different character's points of view and	12x12, to derive x and ÷ of decimals numbers.
explore the author's use of language.	Ongoing place value work:
Persuasive leaflets - We will look at the features of persuasion and	• Secure place value for all numbers and decimals.
create our own persuasive leaflets convincing people to go to Quinta	<ul> <li>Number facts to secure mental strategies.</li> </ul>
using Publisher	<ul> <li>Read, write and order numbers up to 10 million.</li> </ul>
<b>Biography:</b> We will be finding out all about the features of	Addition, subtraction, multiplication and division:
biographies and non-fiction writing. We will be finding out about	<ul> <li>Recall of multiplication tables to 12x 12 and link to division</li> </ul>
Mary Anning's life and creating our own biographies.	facts and fractions of numbers.
, , , , , , , , , , , , , , , , , , , ,	• Written methods for all 4 calculations linked to multistep word
This term will also include:	problems (e.g. measures and money)
• Individual, shared and guided reading.	<ul> <li>Fractions /decimals /percentages.</li> </ul>
Ongoing spelling and grammar work.	• Early algebra.
Developing speaking and listening skills.	Geometry:
	Translation, rotation and reflection of shapes across all 4 quadrant
	grids and problem solving.
	Statistics:
Science	<ul> <li>Line graphs (link with science).</li> </ul>
Our topics is 'Light and 'Evolution and inheritance'. In 'Light' we will	
be exploring how light travels in straight lines, how we see objects,	
reflection and how shadows are formed. In in 'Evolution and	PSHE
Inheritance' we will be looking at how fossils give us evidence of	What makes a good learner?
evolution and how animals and plants have adapted and evolved over	<ul> <li>Understanding feelings and emotions: angry, sad, happy,</li> </ul>
· · · ·	
time	homesick, brave,
time.	homesick, brave.
