Headteacher Tim Edwards-Grundy

Committed to the care and education of your child within a Christian setting

Value of the Month: Patience

Newsletter Term 4: 2017/18 (17)

Dear Parents/Carers,

Congratulations to all the Year 2 and Year 6 children for completing their SATs so positively. I would like to congratulate all the children in Years 3 and 4 for their fantastic performances of The Jungle Book and to thank all their teachers, teaching assistants and other grown-ups, who helped to make the production such a success. Wishing you all a good half-term break.

Tim Edwards-Grundy

Year 4 Quad Kids:

On Tuesday 15th May, a team of Year 4 children took part in the Witney Schools Quad Kids competition at Wood Green School. They competed in the Vortex, the long jump, a 50m sprint and a 400m race. Some of the children were nervous to begin with but they all performed brilliantly and, when the scores were added together, the team came first! They have now earned a place in the next round of the competition to represent Witney and The Blake at the West Oxfordshire finals. Huge congratulations to all the children.

Year 6 Quad Kids:

On Monday 21st May, some of our Year 6 athletes went to the Witney Schools Quad Kids competition at Wood Green School. They had to compete in four events: a sprint, a 600 metre run, long jump and a throw. Points were given for performances in each event and then added together to get a team total. Our athletes showed great determination and produced some superb performances to finish second, which means that they will join Year 4 at the West Oxfordshire finals. Very well done to all our athletes.

Years 5 and 6 Tennis:

On Tuesday 22nd May, a team of children from Years 5 and 6 played in a tennis competition at Cokethorpe School. The children all showed great enthusiasm and ended up winning a very close final to become West Oxfordshire Champions. They now go on to represent The Blake School in the Oxfordshire School Games Finals. Well done to Claudia Albert, Layce Ealey, Glenn Irving and Joseph Raven.

Wise Bytes:

It can be difficult to set screen limits with our children and, as parents, we often feel "on the back foot" with the speed of change on the internet and the way our children are using it. Have you considered a family internet agreement? It might sound a bit formal, but it can really help to set and review expectations and to help our children be aware of risks they may want to avoid as well as setting limits around time and where they use their devices. Each of us will have different ideas about what is important to include - the most important thing is to talk about it.

Here are two examples to get you thinking, this one is aimed at primary age children and older:

This example is more helpful for older siblings to

Family Agreement - Childnet:

A family agreement is a great way to start a conversation with your whole family about how you all use the internet and discuss together how to behave in a positive way when online at home, at school or at a friend's house.

THE OXFORD & CAMBRIDGE SINGING SCHOOL

The Oxford and Cambridge Singing School is for boys and girls aged 7-13 who love to sing. The Singing School was established to give children the opportunity to experience great classical music with world class coaches in a relaxed and fun environment and to develop their confidence and ability in singing and performing.

Pupils will learn some beautiful music and at the same time gain a background in vocal technique, music theory and history. Families are most welcome to come and listen to an informal concert at the end of each day.
