

## Maths

Learning Focus: I can add two numbers together.  
I can count on from a number.

Ask a grown up to put some objects (up to 5 things initially) in a box/tub/plastic cup etc. Count them as they are put in. Cover the objects, so you can no longer see them. Put 1-5 objects outside of the box. Can you find out how many objects there are altogether by counting on from the number of objects in the box.

For example:

Put 4 lego bricks inside a box. Cover them up.  
Put 3 lego bricks outside of the box.

Now you need to count how many there are altogether. You count on from the number of bricks that are hiding in the box - even though you can't see them!

Touch each of the bricks that are outside of the box as you count, 4.....5,6,7

The total is 7. Can you complete a cherry model to represent what you have done? What would the first part be? (4) What would the second part be? (3) What is the whole, or total? (7)

Can you write a number sentence to represent this too?

Repeat by changing the quantities each time.

# Year Reception

## Home Learning Week 3

Week Beginning: 18/01/21

[smos9315@blake.oxon.sch.uk](mailto:smos9315@blake.oxon.sch.uk)

[soconnor@blake.oxon.sch.uk](mailto:soconnor@blake.oxon.sch.uk)

### Topic - Our Wonderful World linked to We're Going on a Bear Hunt (Literacy linked)

If you can, go for a walk in your garden, or in your local area.

- Can you find something that makes a squelch squerch sound?
- Can you find something that makes a swishy swashy sound?
- Can you find something that makes a splash splosh sound?
- Can you find something that makes you stumble and trip?
- Can you hear something that makes a hooooo whooooo sound?
- Can you find somewhere where you need to tiptoe quietly?

Talk about the different kinds of weathers they had to walk through on their walk? What

## English

### We're Going on a Bear Hunt by Michael Rosen

Learning Focus:

- ❖ I can draw a picture of something I liked from the story.
- ❖ I can write a word or sentence independently, that can be read by myself and by other people using sounds I can hear in words.

Draw a picture of your favourite part of the story. Then you can add some writing to your picture.

- I can write the word 'mud' independently.
- I can label my picture with one word.
- I can write a sentence about my picture.
- I could even try and re-write the story.

## Phonics/ Spelling

On the Reception page of the Blake School website, you will find the Reception phonics sound order, which details the order we teach sounds. You will also find the sight words list and handwriting phrases.

Your child's second target is to learn how to spell the set 2 sight words. They can begin to learn the third set if they are ready. (extend as necessary for your child)

This week some of us are learning the 'th' digraph, and some of us are learning the 'ar' and 'or' digraphs. Geraldine the giraffe is great fun to watch as a way to consolidate learning. Find the links below:

'th'

Useful links:

Phonics Bloom: <https://www.phonicsbloom.com/>

Phonics Play: <https://www.phonicsplay.co.uk/>

would have been your favourite? What would have been the most suitable clothes to wear?

You could make some binoculars for your bear hunt out of cardboard tubes (kitchen rolls or toilet rolls)

**We are also going to learn some facts about bears!**

You could make some **Teddy Bear biscuits**

You could make and decorate some teddy bear biscuits. (alternatively, you could decorate some chocolate or plain biscuits - see attached pictures for ideas.)

## Reading

Try to make sure you are doing a little bit of reading every day.

- Do I have any other books in my house that are written by Michael Rosen. If so, what do I like about his books? Do I have a favourite one? Who are the characters? What happens in the story?

Have a look on the **Oxford Owl** website. They have lots of free online books:

<https://www.oxfordowl.co.uk/>

Take a look at **Audible**. They have lots of free audio books to listen to:

<https://stories.audible.com/start-listen>

Read Write Inc. Phonics lessons at home  
through the Ruth Miskin YouTube Channel:

### P.E.

**Obstacle Course:** You could make an obstacle course in your home and garden like the ones we sometimes make in school.

**PE with Joe:** You might want to have a go at Joe Wicks' workouts that are streamed live at 9am on YouTube on a Monday, Wednesday and Friday and will last for 20 minutes:

<https://www.youtube.com/user/thebodycoach1?safe=true>
