

What's on?

School meals next week

Please don't forget to order school meals for next week, before the deadline of Thursday at 6pm. Order meals using [the link](#).

Other than in very exceptional circumstances we are unable to put through any late orders.

If you experience any problems with the order form, please contact the school office.

Head lice

Head lice are sadly frequent visitors to our school! Please do check your child's hair regularly and make sure that you treat any lice or eggs that you find.

If your child is in Year 4, please do look especially carefully!

Supporting The Friends

On the last day of term, Friday 8th April, children will not need to wear their school uniform. Children can wear whatever they want to school that day in return for a £1 donation to The Friends.

Look out for details of The Friends' Easter trail, which will be with you next week.

There will be pictures of Easter themed items in locations all around Cogges, all you will need to do is to match the picture you find to your checklist.

Trail sheets will be £2 each and everyone who buys a sheet will be entered into the prize draw.

Parents' evenings

Parents' evenings are taking place next week and the following week. If you have not booked your appointment yet, please do so as soon as possible. You will need to book your appointment via e-schools.

If you do not have your e-schools password then please contact the school office.

A link for the parent's evenings will be sent to you prior to the first of the meetings. The link will be the same for each class, for every parent who has a meeting on a specific day. When you join the meeting, the teacher will receive an on screen notification that you are waiting. You will be admitted to the meeting by the class teacher as soon as they have finished with the previous parent(s).

As usual teachers will be working very hard to run to time but please do be patient if you have to wait a few moments.

Mental Health Awareness Session

Oxfordshire Youth has a new Mental Health Awareness session for parents and carers, taking place on 5th April between 5.15 and 7pm.

The session is online and free for all Oxfordshire parents/carers, but is aimed primarily at supporting older children.
