

Governor Newsletter

May 2019

Every year the governors give 'The Governor Award' to one child from each class who is felt to have best demonstrated, by their everyday behaviour and attitude, the values and ethos of The Blake school. Winners have shown the school's values consistently over the past year.

Each of the winners receives a certificate and a £10 book token, funded by the Blake Educational Trust.

Tyler is polite, caring, hard working and creative! He shows the school values every day.

Isabelle shows mature independence and perseveres when she finds things tricky. She always tries her best and her caring nature means she always shows kindness to others.

On behalf of the Governors, Jason Hoyland congratulated each and every one of these children who consistently demonstrate the school values so well and help to make our school a safe and happy place.

When announcing the awards in Collective Worship Mrs Doland said that the teachers had a really hard job in deciding the awards as so many children consistently show the school values.

When names were read out there was a lot of smiling and nodding from friends and classmates showing that it is not just the teachers who see these children's qualities.

When they received the award the children said that they felt –

"surprised"

"shocked"

"happy"

"good"

"super excited!"

"special"

"pleased"

"proud"

"it will make me more confident"
