## News from Mrs Patchett

This past week, the Year 6 children have been at Quinta, enjoying a week of outdoor activities with their friends. The children have been stretching themselves and facing new challenges. We are looking forward to welcoming them home this evening and hearing all about their adventures.

It has been a busy week in school too! We enjoyed seeing our children in Year 5 finding out all about the world of the Greeks and they looked great too. Children across the school have also been busy this week and so we are sharing lots of photos so that you can see what they have been up to!

This week in Collective Worship we launched the Shoebox appeal for this year. Children will be coming home with an information leaflet about the campaign. If you want to pick up a shoebox that is already wrapped, you can do so from outside the main entrance to the school. More information about the Shoebox campaign can be found in the letter attached to the newsletter email.

## News from Around the School

Last week, our children in Early Years spent a fun-packed morning at Cogges Farm Museum.

## Congratulations to Mrs Lynch and Mr Walker

We are delighted to share with you good news of two recent safe arrivals.

Earlier in September, Mrs Lynch gave birth to a healthy baby girl. Mrs Lynch and her husband have named the little girl, Orla Hope.

At the end of September, Mr Walker's partner gave birth to a baby boy, they have called him Alexander Scott. Mr Walker is currently enjoying paternity leave.

We are looking forward to meeting both Orla and Alexander.

The children in Year 1 have been painting their self-portraits.

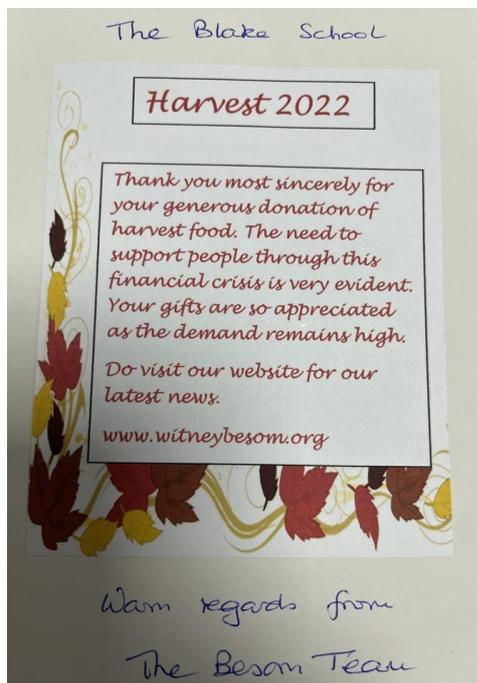

Well done to all of them for looking so carefully at themselves, we think your portraits are great!

Our Year 5 children enjoyed a fantastic day learning about Ancient Greece

## Thanks from Besom

Thank you to everyone who donated to our harvest collection. This week we received a card of thanks from Besom, who will distribute your gifts to families who are most in need.

## Values Award

Well done to all our children who this week received a Values Award.

Awards this week were given for caring, persevering and showing courage. Children were also congratulated on being a fantastic example and showing friendship to others.

A big thank you also to our children in Year 5, who this week stepped up to cover lots of the jobs that are usually done by the children in Year 6. Year 5, you have been great!

## Harvest experience

Over the past two weeks, the children in Year 4 have been to the Harvest experience at The Methodist Church.

Thank-you to those of you who have supported Year 4 to enable them to attend the church.

It has been a great week at Quinta for our children in Year 6.

Loving, learning and flourishing in community
